Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

This is in response to the Official Action mailed July
20, 1989 regarding the above application.

REMARKS

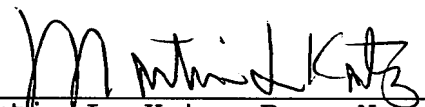

The Examiner has provisionally rejected claims 1-27
over claims 1-23 of U.S. Serial No. 167,643 on the grounds of
"obviousness-type double patenting".

U.S. Serial No. 167,643 became abandoned on September
23, 1989 in view of Applicant's failure to respond to the
outstanding Official Action. Accordingly, this rejection should
no longer apply.

Reconsideration and allowance of Claims 1-27 is
respectfully requested.

Respectfully submitted,
